

REMARKS

The present Preliminary Amendment is being submitted to correct the reference to the priority document in paragraph [0001], which was misidentified as a "patent" application and should have been identified as a "utility model" application. No new matter was added.

Entry of the present Preliminary Amendment and allowance of the application are respectfully requested. If the Examiner believes an interview, either telephonic or in person, will advance the prosecution of this matter, it is respectfully requested that the Examiner contact the undersigned at the Examiner's convenience.

Respectfully submitted,

Date: March 16, 2004
